## SAYS WAR WOULD SOON END IF FOOD SUPPLY FAILS

R. Ray McLaughlin Claims Farmer Poorest Paid of Any Group

"Farming is the keystone industry in the world and far more people depend for their very existence on the products of the farm than realize it," R. Ray McLaughlin said in opening his address on "Some Aspects of the Farm" at the luncheon meeting of the Rotary Club on Monday.

Mr. McLaughlin said he had great respect for anyone who was aiding in the war effort and engaged in war work. Recently he received a letter telling what various pieces of ammunition cost but there was no information as to what it was for. He said he was sure that the Allies and their enemies could carry on the war for a long time even if they exhausted material after material and then came hand-to-hand fighting, but if food should suddenly fail the war would be over in a short time.

It is unfortunate that the people who supply this vital necessity to keep the people of the world alive should be the poorest paid group of any who are adding to the war effort, Mr. McLaughlin said. People in the city say look what the government does for the farmer and we have to pay taxes to raise that money. But the government funds new ways to produce more at less cost and your taxes are not so great, Mr. McLaughlin pointed out.

## CITIZENS FURNISH NUMBER OF ROOMS AT THE HOSPITAL

Most of Gifts Dedicated in Memory of Deceased Relatives

Furnishings for the many rooms of the new Sykes Memorial Wing of the Oshawa General Hospital have been donated by many of the spirited citizens and service clubs. Most of the gifts from private citizens have been dedicated in memory of deceased relatives, many of them former prominent citizens of the community.

Solutions on both the first and second floors were furnished by Mrs. Stewart and Fred Stort in honor of their parents. The one on the first floor has been dedicated to the memory of their mother, and the one on the second to their father, the late James Douglas Stort.

The second floor sitting room was equipped by the Oshawa General Hospital Alumni Association, while the ground floor lobby sitting room furnishings are the gift of Dr. and Mrs. S. J. Phillips in honor of Mrs. Mary Phillips.

On the first floor, rooms 101 to 110, inclusive, have been furnished by Oshawa Rotary Club, room 111 by D. J. Hordman, and room 112 by the Kinsmen Club of Oshawa.

On the second floor, furnishings have been provided as follows: room 201, in honor of Mr. and Mrs. J. S. Beaton; room 202 in honor of Mr. and Mrs. H. W. Schell; room 203 by Mrs. Charles Robson in honor of her mother, Mrs. Williams; room 204 in honor of Mrs. Charles M. Mundy; room 205 by Mr. and Mrs. E. A. Levell; room 206, in honor of Katherine Galt; by Mrs. J. P. Carvill; room 207 in memory of Miss Schofield; room 208 by Mr. and Mrs. J. Lewis; room 209 in honor of Mr. and Mrs. Fred Harb; room 210 by S. R. Trees, Whitby; room 211 by Mr. and Mrs. E. S. McLaughlin.

Third floor rooms were furnished as follows: room 301 by the Oshawa Kinsmen Club, room 302 by Mr. and Mrs. C. E. McLaughlin, room 303 by Dr. R. P. Macdonald, room 304 by Mr. and Mrs. J. J. Gray; room 305 by Mr. and Mrs. J. J. Gray; room 306 by Mr. and Mrs. J. J. Gray; room 307 in honor of Dr. Davis S. Holo; room 308 by George Hart; room 309 by Mrs. J. J. Gray; room 310 by Mrs. J. J. Gray; room 311 by Mrs. J. J. Gray; room 312 by Mrs. J. J. Gray.

## Government Will Finance War Work Except Red Cross

Hon. J. T. Thorson Makes Important Announcement—Avoid Interference With War Financing—C. L. Burton Chairman of Advisory Board

OTTAWA, February 28.—The government has found it necessary to decide upon a change of policy in the matter of financing the requirements of such national auxiliary services organizations as the Canadian Legion, the Knights of Columbus, the Salvation Army, the Y.M.C.A., the Y.W.C.A. and the Navy League of Canada. Up to the present these national auxiliary services organizations have been financed by the government, but the government has decided to discontinue this policy.

Mr. Thorson said that the government has decided to discontinue this policy because it is necessary to avoid interference with war financing. He said that the government has decided to finance only those auxiliary services organizations which are essential to the war effort.

He said that the government has decided to finance only those auxiliary services organizations which are essential to the war effort. He said that the government has decided to finance only those auxiliary services organizations which are essential to the war effort.

## LIQUOR TRAFFIC IN TONT. DEPLORED BY CITY MINISTER

We Have Our Bets, Beer and Bootleggers, Rev. J. W. McNeely Says

"Premier Hepburn seems to think Canada can drink her way to victory in the present war," declared Rev. J. W. McNeely, M.A., B.D., at King Street United Church Sunday morning.

The minister contrasted the attitude of the head of the Ontario government on the liquor question with that of Prime Minister Thomas Curtin of Australia who recently announced to his people, "The time has come for brains and brawn to dispense with brawn and beer."

"We too have our brawn and beer," said the minister. "And there are still bootleggers left in Oshawa," he continued and called attention to the story in the press of the local beer runner who was fined \$150 when beer and guns were found in his bedroom.

Rev. Mr. McNeely deplored the fact that not a single layman could be found in the entire city of Oshawa to act as chairman in a temperance meeting which was held here last night. If people held that viewpoint on drinking, he said, no wonder the provincial politicians feel free to peddle liquor.

The minister pointed out that seven provincial representatives suggested a curfew for the week to Oshawa for the purpose of a pleasant reception and recognition of the delegates.

"Where is the economy of punishing barrels of sugar and beer and have a man from Labrador tell housewives to save on their sugar?" the minister declared. He said he had written to the Ontario Temperance Society, the Y.M.C.A. and the Y.W.C.A. for the sending of their auxiliary services to the members of the army forces of Canada, at home and abroad in military establishments in camp or barracks areas in Canada, special defence areas as designated by the government.

## Figures of Candle State \$8,550,000 As Total Up to Today

Many Inspect Hospital Wing

More than 1,000 people took the opportunity of inspecting the new Sykes Memorial Wing of Oshawa General Hospital last Friday and Saturday in response to an open invitation by hospital authorities. Scattered through the fine-looking, modern structure by members of the staff, the visitors were most enthusiastic about the splendid new addition with its tasteful, yet practical furnishings and equipment.

Received by Mrs. R. S. McLaughlin, Miss Eugene Stewart, Mr. J. H. Beaton and Mr. C. J. Aitrop, the many guests made the official opening a decided success, demonstrating at one and the same time their interest in the welfare of the Oshawa Hospital and their recognition of the value of modern equipment.

The hospital's guest book, unsigned by a large number of the visitors, contains approximately 700 names. Total number of visitors on Friday and Saturday is believed to exceed 1,000.

Through all three stories of the new wing, rooms by nurses and other staff members, the visitors were examining at leisure the modern conveniences with which the hospital is now equipped. Kitchens, operating rooms, laundry, boiler room, all came in for special attention.

The staff was welcomed throughout the two days by ladies of the Oshawa Auxiliary and the Nurses' Association.

LONG DOCKET AT ONTARIO COUNTY SUPREME COURT

Seven Jury and 13 Non-Jury Cases Listed for Hearing

The Spring Assizes of the Supreme Court for Ontario County opened at the Court House in Whitby on Monday afternoon, with Mr. Justice MacFarlane presiding. Seven jury cases and 13 non-jury cases are on the docket, one of the longest in the history of the court.

Of the seven jury cases, four are of men indicted on charges of motor manslaughter. These are the King versus John Castle, of Blouville, and the King versus Vincent McNeely, of Reach Township.

The daughter on the highway with the development of the motor car and of good roads has become appalling. His Lordship declared in his first address to the grand jury on Monday afternoon, "Something must be done to stop it," he added.

His Lordship said that the duty of the grand jury was not to try these men but to consider whether the Crown had enough evidence to warrant a trial going on. If so, Justice MacFarlane explained that it was their duty to return a true bill.

In his preliminary remarks to the jurors, His Lordship outlined the importance of the jury system in early British history. The jury system is of particular importance at the present time, he declared, after noting that it was the basis of British justice. He said that the jury system is the very thing that is being fought for and was the very thing that is being fought for.

## Expect Returns Will Be Complete by Thursday—Mayor Gifford and Loan Officials Celebrate End of Campaign Saturday Night

Hundreds of people thronged the Oshawa Free Co-opers, Saturday night, to witness the official ceremonies attendant on the successful conclusion of the Second Victory Loan campaign that put Ontario County over the top in reaching its objective of \$20,000,000.

Figures on the stand clearly indicated that before the big drive ended at midnight, Saturday, residents of the county had subscribed \$8,550,000 to the War Loan, and officials stated that returns had not all been received.

Mayor W. H. Gifford, W. Geo. Tubby, county organizer, Leon "Pop" Oler and other campaign leaders were present, as were were placed on the huge candle and the number of subscribers to bond.

At the end of another successful day of the campaign, Mayor Gifford, women and children. Complete returns for the county and the Dominion will not likely be made until Thursday of this week.

Breaks All Records

The Second Victory Loan broke all previous records from the standpoint of funds raised and the number of subscribers to bond. A total of \$8,550,000 has been produced in the county since the First Victory Loan in 1940.

This was more than was subscribed by nearly 1,300,000 bond purchasers.

Leadership in the campaign exceeded their objectives, with Ontario leading in the amount subscribed, as residents of the banner province bought bonds to the tune of \$44,000,000.

Duffin's Creek, Pickering, went on its annual spring rampage yesterday, and pouring over No. 2 highway just west of the bridge at the western entrance to the village, temporarily halted traffic. Here is a transport finding its way over the hidden road.

A heavy rainstorm which broke Sunday night caused ice in the creek to break up this morning, and flood waters poured down on the highway. High point of the flood was reached at dawn.

Here is shown a bus, west-bound from Oshawa, and other traffic going through the section of No. 2 highway which was obscured from the drivers' visions, causing many to drive off on the shoulder and become stuck. The Pickering bridge, undamaged by the flood, is shown in the background behind the first transport truck.

## FLOODS ARE GREENING TRAFFIC

### Oshawa and Vicinity

**WANT A DOG?**  
A wire haired terrier, white with brown ears and black spots on the back and at the base of the tail, is at present in the Oshawa Humane Society pound. Inspector Elmer reports that the dog was picked up as a stray, and that he is anxious to locate the owners.

**BIRTHDAYS REMEMBERED**  
Rotarians who reached another birthday anniversary during the past week were each presented with a rose at the luncheon meeting of the club on Monday by Rotarian O. R. Macdonald, and introduced to the club in the following order: N. J. Wilton, Geo. Hart, Maurice Mac, "Bill" Taylor, "Wes" Lang.

**TRAFFIC LIGHTS FOR D.L.L.**  
Traffic lights are being installed on Provincial Highway No. 3 a mile east of Pickering, at the junction with the entrance road to the plant of Defence Industries Limited. This is one of the busiest corners on the highway at present, and when put into operation the new lights will greatly simplify the complex traffic problem which has arisen at this point.

**SENDS THANKS FOR PARCELS**  
Christmas gifts were sent overseas to sons of Rotarians in the Canadian Active Forces and letters are being received from week to week thanking the local club. It was a coincidence that a letter should be read from John Chappell, son of Col. Frank Chappell, honorary member of the club, who happened to be home for the week-end and attend the luncheon meeting on Monday.

**WATER RUINED BRAKES**  
Dozens of motorists found Monday, after driving their vehicles through water which covered a section of No. 2 highway, that Pickering, that they had little or no braking power. In most cases the wheels of their cars had been completely immersed in the water during the trip across the flooded Duffin's Creek, and their brake bands had had sufficient time to become thoroughly soaked. Water was over the running boards and higher than the bumpers of the cars during most of the morning.

**SAW ROBINS TODAY**  
Mrs. W. Saunders, 157 Park St., reported today that she saw two robins flying about in the trees of her yard. These birds evidently failed to read recent weather reports, or they would have remained in the south until the late, sleet and snowstorms had passed. In good, Black-headed grosbeaks have been reported from various parts of the city, but the present weather conditions indicate that spring is almost here or that the robins are losing their ability to foretell the weather.

**PUPILS DONATE \$2.00**  
The Times-Gazette is in receipt of \$2.00 from the pupils of School Section No. 2, Pickering, through the kindness of Miss Kime, who said it was a donation for charitable purposes and to be divided three ways. Three dollars is to go to each of the following: Russian Red Cross fund, the Kinmen Fund for Britain fund and to the British League. The pupils also planned to acknowledge the donation and will forward the amounts as indicated.

**FRIDAY THE THIRTEENTH**  
Friday the 13th is the day of days for you, then you are in luck this Friday. The second meeting of the P.E.U. is a Friday and the coming Friday will fall on March 13. If a Friday the 13th falls on a holiday, the day will be postponed to the following Friday.

### CONGRATULATES HOSPITAL BOARD ON SYKES WING

Mayor Sends Best Wishes To Chairman Board of Governors

The following letter from Mayor W. H. Offord, as directed by the City Council, expressing congratulations and best wishes to the Board of Governors of the Oshawa General Hospital on the opening of the new Sykes Memorial Wing, was submitted to the Times-Gazette for publication last Saturday but did not arrive until after press time:

### CHARGE SOLDIERS WITH CAR THEFT

(Special to The Times-Gazette)  
Cobourg, March 9.—Three soldiers were arrested at Cobourg, Friday night, in connection with the theft of a car at Whitby. The men, Driver C. Tracey, Driver R. Peterson and Pte. W. Smith, were taken to Whitby, Sunday.  
Constable E. Houghton took them to the police station for questioning, and after it was found that they were armed, without any money from their unit, not having military passes, they were placed in custody, pending inquiries.  
A citizen had reported to Chief of Police Cary, Cobourg, that a car, abandoned and out of gas, had been stolen in Whitby, and the three soldiers admitted taking it.  
It was also reported that a car stolen in Whitby, had been abandoned near out of gas and the same three men admitted having something to do with it.

### MAY CAPTURE CUP

Rotarian Club Hubbell, representing the Rotary Motors Hockey Team, led the club at the luncheon meeting on Monday that if the boys trip on Monday night will capture the Provincial Cup. They defeated Burlington, 7-0, here recently and are playing the return game at Burlington (Sunday) meeting. Meeting difficulties in arranging transportation. Rotarian W. Hartley suggested that three taxis be engaged. The matter was left in the hands of the transportation committee.

### Oshawa Man Grooms Churchill in Lobby British Parliament

LAC Jack Cottingham Meets British Knight in House of Commons—Exchanges Salute With Prime Minister

"This morning I had a great experience."  
That was LAC Jack Cottingham, overseas with the Royal Canadian Air Force, introducing in a letter to his parents, Mr. and Mrs. J. H. Cottingham, 133 Alice Street, Oshawa, the tale of his encounter with the Right Honourable Winston Churchill, Prime Minister of Great Britain.  
In a letter dated January 20, 1942, LAC Cottingham, former member of The Times circulation and editorial staff, tells of a visit to the British House of Commons, sitting in the press gallery, of meeting a British knight, and finally, of exchanging salutes with the Empire's great wartime leader.

The chairman and board of governors of the Oshawa General Hospital, Oshawa, Ontario, Dear Sirs: Gentlemen:  
On the occasion of the opening of the new Sykes Memorial Wing, I am directed by the City Council to express to you their heartfelt congratulations and appreciation of the completion of a very fine effort.  
The Chairman and Board of Governors of the Oshawa General Hospital, Oshawa, Ontario, Dear Sirs: Gentlemen:  
On the occasion of the opening of the new Sykes Memorial Wing, I am directed by the City Council to express to you their heartfelt congratulations and appreciation of the completion of a very fine effort.

A former member of the British Parliament, unasked by LAC Cottingham, was responsible for getting him inside the parliamentary lobby. Introduced to the Keeper of the Guard as a "personal friend and newspaperman from Canada," LAC Cottingham was given permission to sit in the press gallery, where, he writes, he was under the guidance of an army major, Sir Joselyn Lucas, a friend of his first benefactor.

"I fell like punching myself," writes the Oshawa boy.  
"There I was in the room from which a quarter of the world is ruled, only a few paces from Churchill, and my guide was not only a major, but a 'sir' into the bargain," he continues.  
Tours London  
Newly posted to a Canadian active service squadron on the coast, the local boy was granted special leave on which he set out for London. Accompanied by seven days provided by the Y.M.C.A., which he avowed, "a really good trip with every convenience you could think of."

Conducted tours of the House of Commons and the House of Lords, and a visit to Madame Tussaud's waxworks, were among adventures which filled the first two days of his stay in London. On the third day, hearing that Mr. Churchill was to appear in Parliament, he endeavored to get a special pass for the session, but without success.

Parking himself among the cameramen at the entrance to the House, the Canadian boy waited to see what would happen. It was here that he was approached by a friendly, middle-aged man, asked him if he wanted to go inside. This was followed shortly by the previously described encounter with the British Prime Minister.

Later adventures reported in the Oshawa boy's letter include a tour of the Tower of London, arranged by the Beaver Club, a "Beehive" was his guide, and he asserts that he learned "a lot of British history in a couple of hours." He also took in a musical show at the London Hippodrome, which

### SIX FIRE ALARMS MONDAY MORNING

Chimney Fires Between 9:23 and 11:24 a.m. Due To High Winds

End it were December 26 Monday morning it would have appeared as if forces were at work to sabotage Santa Claus. The strong wind caused six chimney fires between 9:23 and 11:24 a.m. Fire alarms were sent in on all of them but no damage was reported. The first alarm was at 9:23 a.m. at the residence of N. J. Holmes, 124 Nassau Street at 824.  
Two other close alarms were at the homes of T. J. Short, 431 Centre St. 824, and Alex. Schmitt, 375 Bilton Road South, 10 a.m.  
Mrs. L. McPhee, 543 Bilton Road South, called in an alarm at 10:40, and at 11:24 a chimney fire at the home of A. L. Brown, 29 Avenue Street ended the series.

### COURT DIMISSES ASSAULT CHARGE AGAINST BOARDER

Counter Claim For Underwear Was Not Entered

A handily who testified that one of her boarders choked her, and then kicked her when she went over to pick up something was answered in police court Monday morning by the boarder who filed a counterclaim. The defendant, Miss McLaughlin, in this wonderful new hospital ward, how different to the days we used to know.  
Dr. McKay was referred to the fact that Mrs. B. B. McLaughlin was one of several public-minded men and women who planned and thought of ways and means to bring proper hospital accommodation to the then small town of Oshawa, which had nothing in those days to compare with the magnificent hospital building and equipment it has today.  
Dr. McKay told The Times-Gazette that if the representative citizens like Mrs. McLaughlin had not aided early efforts, the splendid new hospital would still be an unrealized dream.

Miss Evelyn Appel told the court she kept house on Masson Street for her two brothers and six boarders. She said accused demanded a note for a \$2 balance on his board bill on Feb. 26, and when she refused he choked and kicked her. She denied the allegation and claimed she threw a store poker at him. He rejected to say whether she missed or not.

McKay said he was Miss Appel a week's notice that he was moving a full week before the alleged assault. He said he was asked to leave on Feb. 26. Miss Appel locked the door and refused to let him in. He said he was a telephone for the police herself nor allow him the privilege.  
"I can't find a conviction on this evidence," declared his worship.

McVie Parnell pleaded not guilty before Magistrate P. S. B. B. Monday morning to a charge of careless driving but was convicted and given a choice of a \$5 fine and costs or five days in jail.  
P.C. George Macdonald said he observed accused on Feb. 26, 8:30 p.m. turn into King Street from Park Road, forcing an exhibition car, driven by Oscar Thompson, over on the boulevard. Thompson corroborated the officer's testimony. Accused said he saw two days drive by on King Street but failed to notice Thompson approaching.

William F. Probel pleaded guilty to a charge of disorderly conduct and was fined \$5 and costs or five days. Accused, a police officer, became involved in an argument in a local restaurant early Sunday morning and refused to go home when so ordered by an officer.

### Family Forced to Abandon Home As Creek Overflows

Reckless Driving Conviction Follows Highway Collision

The officers found all marks of the accident on the opposite side of the road on which they were driving so I must accept their evidence in preference to yours," Magistrate P. S. B. B. told Louis Kornas, of Oshawa, in finding him guilty on a charge of reckless driving in police court Saturday.  
Kornas was fined \$10 and costs and his driving permit was suspended for three months.  
Kornas denied the charge when first arraigned in Whitby several weeks ago at which time only the Crown's evidence in the case was heard. A second charge of careless driving was withdrawn. Charges arose out of an accident between Kornas and a truck driven by H. Brown, of Toronto, near the eastern limits of Whitby on the Kingston road on the morning of Feb. 13.

### M.O.H. Recalls Early Hospital At Reception

When Dr. T. W. O. McKay, Oshawa Medical Officer of Health, was greeted at the hospital reception, last Thursday, he exclaimed, "Fancy meeting you here, Mrs. McLaughlin, in this wonderful new hospital ward, how different to the days we used to know."

Employees from the D.L.L. plank at Pickering were delayed in getting to their work Monday morning, and others were balked for hours in their endeavors to reach their homes west of the village. Many detoured around the flood spot by going to Whitby, north to Brooklin and along No. 7 highway, while others went north to the fourth concession of Pickering and their chances on the muddy country roads.

Ice breaking up after heavy Sunday night rains came down the creek in a torrent at about 2:30 a.m. Sunday, and, oversteering the capacity of the normal channel under the steel bridge which carries traffic over the water, forced across the low strip of highway just west of the bridge.  
Ice breaking in volume as rushing stone piled the roadway high with ice blocks. It invaded the front home of Mrs. A. Cook on the west

## Local Organizations Share in Bequests Late Court Clerk

**Yacht Club, I.O.D.E., V.O.N., Salvation Army and Church Remembered in the Will of Late Miss Emily Lyons Macdonnell, Clerk of the Division Court Here For Many Years**

Whitby Yacht Club, Whitby branch of the Victorian Order of Nurses, Vincent Greenwood Chapter of the I.O.D.E., The Salvation Army and All Saints Church are beneficiaries under the will of the late Emily Lyons Macdonnell, clerk of the Division Court at Whitby who died September 14, 1941.

The will, admitted for probate in the Surrogate Court at Whitby, directed that an estate valued at \$18,688, consisting of \$17,235 personal and \$1,453 real.

A bequest of \$100.00 was left to the I.O.D.E. in Whitby, of which the deceased was an active member.

The deceased leaves all real estate, wherever situated, and all personal effects, to her sister, Mary Macdonnell, for her own use and benefit during her lifetime and upon her death, she directs her executors to sell the whole of her estate and such part of the said residue as shall not then consist of money, by public auction or by private sale and divide the net proceeds of the sale, together with such part of the said residue as shall then consist of money, equally between All Saints Anglican Church of the Town of Whitby and a cousin, Isabel Jarvis Waugh, of the City of Toronto.

The Executors Trust Corporation are the executors of the estate.

## THREE ARRESTED IN CAR THEFT AT COBOURG

Arrested in Cobourg in connection with the theft of a car in Whitby, arrested by Regina, three young men, members of a military unit, were brought to Whitby from that town on Sunday by Constable W. Elliott and Constable Ronald Lowe, and lodged in the county jail.

The three men, according to the police, are also wanted in connection with a car theft in Toronto. The men came from Toronto and picked up the car in Whitby, first being north and then south. The car was found abandoned near the hospital at Cobourg. The boys will appear in police court here on Tuesday.

## WHITBY COUPLE WED 25 YEARS

Constable and Mrs. John Thomas Honored By Friends

Surrounded by members of their family and some intimate friends, Constable and Mrs. John Thomas at their home on Brock street W. on Saturday celebrated their 25th anniversary of their wedding. In all Saints Anglican Church, Whitby, just a quarter of a century ago, John Thomas and Olive Peters joined hands in holy matrimony, the ceremony being conducted by Rev. Mr. Allan. Of that union there are six children, Jean, Esther, John, Grace, Frank and Olive, all of them living. Constable Thomas has been a member of the Whitby police force for 21 years and he is also sanitary inspector for the board of health.

The Constable, his wife and members of his family are very highly respected citizens of Whitby. The Constable's service to the town of Whitby has been outstanding. During the day the Constable and his wife received several very nice gifts. At six o'clock there was a family supper, and after supper the couple were at home to their friends. The Thomas-Gastle lady with others in extending good wishes.

## FARM LAND VALUES

Higher farm land values for Canada as a whole, and for most provinces, are indicated in the 1941 estimate, says an official report. The average value of occupied farm lands in Canada increased from \$24 to \$25 per acre. Increases occurred in the three Maritime Provinces, Quebec, Manitoba, and British Columbia. There was no change in Alberta but a decline of 81 per cent was reported from both Ontario and Saskatchewan. The Dominion average, while higher than 1940, is still much below the values reported prior to 1929 when values ranged from \$37 to \$40 per acre.

## COW HAS FINE RECORD

The Jersey cow Shalimar Maid—8911—bred and owned by W. D. Thompson, Brooklin, Ontario, has been awarded her second gold medal certificate by the Canadian Jersey Cattle Club. Maid, born on test at 8 years of age and in 305 days produced 10,275 lbs. of milk, 615 lbs. of fat, with an average test of 5.895. Maid is a daughter of Mr. Thompson's superior herd sire, Venus Prince's Peer.

## Engagements

Mr. and Mrs. John Herbert Alexander, Jr., of Meaford, announce the engagement of their daughter, Marion Charlotte, to Andrew Robert Moorhead, of Meaford. The bride and groom are the sons of Mr. and Mrs. Moorhead. The marriage to take place in Whitby United Church on March 21st.

## Whitby's Power Off Four and Half Hours, Breaks in Transmission

Residents of Whitby, Brooklin, Pickering and the surrounding districts were without electric power for over four and a half hours on Monday morning as a result of a break in three stretches of transmission lines just east of the Thornton's Corners substation between Oshawa and Whitby at 5.27 a.m.

The break was caused by the very high wind that blew out of the west during the night, and repairs were handled by men from the Oshawa substation of the Hydro Electric Power Commission. Service was restored by 10 o'clock.

"It is the longest power interruption in this district in many years," H. L. Pringle, Superintendent of the Public Utilities Commission in Whitby, told the Times-Gazette. He said that he had been continuously at the telephone during the shutdown, answering a stream of queries that came in from householders and others who were equipped with electric stoves had to resort to other means to prepare their morning meal. When the electric pump at the pump house was put out of commission, Mr. Pringle stated, they had to use the steam pump that is used for emergencies. Plants of the Brunel Lumber Company, at Port Hope, were also affected.

## C.N.R. Bridge Opened To Traffic on Monday When Mayor Acts

Fire Trucks Pass Over Shortly Afterwards—Mayor Agrees Town to Supply Flag Man for Days and C.N.R. Two at Night—Bridge Closed Six Weeks for Repairs

The Canadian National Railway bridge on Brock Street spanning the main line tracks which has been closed for six weeks for repairs, was opened early on Monday morning following an arrangement made by Mayor Fred T. Rowe and the men in charge. And it was not opened too soon for the two fire trucks had to answer a call at Walton Street, Port Whitby, where a main house was on fire. Had the trucks been forced to use the long muddy detour there would have been considerable delay. It is very doubtful, in fact, if the trucks could have made it. Not hearing from the C.N.R. authorities after communicating with them, Mayor Rowe decided to take matters into his own hands and he proceeded to the bridge Monday. Here it was suggested that if the Town would furnish one man for flag duty during the day the railway would provide two at night. The mayor agreed, and a few moments later the barriers were down and traffic proceeded over one side of the bridge. The arrangement so far has proven to be very satisfactory.

## RED CROSS REVIEW

By MRS. G. M. GOODFELLOW

Workroom Hours—Wednesday: 11 a.m. to 5 p.m.; 7.30 p.m. to 9.30 p.m.—Thursday: 10 a.m. to 5 p.m.—Friday: 10 a.m. to 5 p.m.

The Red Cross appeal for funds to keep the work going until the May campaign is meeting with generous response from both individuals and organizations. There is no slackening in the need for comforts and clothing and the monthly quotas of supplies asked by Headquarters, from Whitby Branch must be kept up. There is urgent need at the workroom for quilts to meet the demand for bedding and for knitters to make comforters for the women in the Auxiliary. For everyone who can be in the front line but everybody can be in the Red Cross. Call at the workroom this week to see where your help can be used.

## Whitby Legion Has Sent Cigarettes to Boys Overseas

Made Offer To Whitby War Effort Committee Which Was Gladly Accepted—Cost To Legion Will Be Well Over \$100

Some time ago Whitby Branch of the Canadian Legion of the British Empire Service League, generously offered to take over from the War Effort Committee for one month the sending of cigarettes to the soldiers overseas. The offer was accepted by the Committee in the spirit in which it was given, and the secretary set to work to secure as complete a list as possible of all recipients of the gift.

This list was handed over recently to Secretary William Ashton of the Legion, who placed an order for the cigarettes, and those are now on their way. It is expected this list contained over 100 names, and the cost to the Legion will be well over \$100.

The Legion will be given the credit, of course, for sending these cigarettes, and, needless to say, the boys overseas will be glad to get them, as smokers are eternally in demand.

The next shipment will be made in April by the War Effort Committee, and before that time an effort will be made to secure all corrections and additions to the list. The citizens are asked to co-operate in this respect.

The Legion at its meeting Wednesday evening discussed a number of important matters. It was decided to purchase two Victory Bonds of \$100 each.

## Green River Gleanings From Green River

Skating Party Cancelled When Markham Lacks Ice

(Mrs. T. Williams, Correspondent) GREEN RIVER, March 7.—The Ladies Aid skating party, which was to have been held on Thursday evening was cancelled as there was no ice at Markham rink.

Mrs. W. A. Hagerman's "tale held on Wednesday last was very satisfactory. Ruben Thomas, of Woodville, was clerk and Alvin S. Farmer of Gormley, was auctioneer.

Mrs. Sherman Arnold entertained at a luncheon on Thursday last week. Miss Ruth Hutchings invited a few ladies to a mid-day dinner on Tuesday.

Mrs. K. Brooks enjoyed having two of the young ladies in to lunch on Friday. Miss Margaret Wilson, the noted animal painter, visited a few ladies to lunch at the studio on Tuesday.

Mrs. John Beckett, of Cedar Grove, called on Mrs. Williams on Wednesday afternoon. Trooper Geo. White of C.A.C. Camp Borden, spent the week-end leave at his home here.

A light delivery truck, belonging to a Brooklin man, and a Coca-

Cola truck did not find the highway near the school quite wide enough last Wednesday. Not much damage was caused to the vehicles, but ten men ran rather high and beyond a bloody nose and a black eye everything with the exception of a few eggs was all right.

Mrs. Frank Turner entertained at a luncheon last week ago. Rev. H. R. Stephens occupied the pulpit here last Sunday evening.

Mr. Walter Hagerman is feeling slightly stronger after his recent illness.

Mr. and Mrs. M. Draper spent last Saturday evening visiting friends. Some of the men folk attended the hockey game at Oshawa and watched Milton win over Markham 3-1 on Wednesday evening last week.

Mr. and Mrs. H. Thomas, Woodville, spent a few days with her mother and family, Mr. and Mrs. L. Hagerman.

Mr. Wm. Duncan is having his general store redecorated. Looks good so far. Nothing like doing the spring cleaning early.

Word was received by Mr. E. Forth that his sister, Miss Claire Forth, a school teacher at the bridge, had broken her ankle in a fall last week. Many of us know Miss Forth and extend our sympathy.

**ST. PATRICK'S PARTY PLANNED**  
(Mrs. T. C. Brown, Corr.) Brougham, March 10.—An event more than usual interest to Brougham people was the meeting on Saturday, March 7, of Miss Cora Everett of Toronto, and Mr. Lloyd Johnson, the collector and assistant Township Clerk. A sincere welcome is extended to Mrs. Johnson by the community.

The Y. P. meeting on Sunday evening was in the form of a national night. Program to suit the national idea.

The W.M.S. are holding a St. Patrick's party on Tuesday, March 17 at 8 p.m. in Township Hall. There will be progressive crokinole, followed by an interesting program. Refreshments will be served at the close. Prizes for crokinole will be won. Prizes for crokinole will be won. Prizes for crokinole will be won.

Happy Circle Mission Band will meet on Saturday the 14th at the home of Mrs. P. Carter.

The W.M.S. will meet at the home of Mrs. T. Norton on Thursday, March 19. Group 2: Mrs. Brown, Mrs. Holby, Mrs. Malcolm, Mr. Mair, Mrs. Dunn, Miss Bayler, Mrs. Ritchie, and Mrs. Cook. Convener in charge of the program. Roll call a verse in the Bible beginning with the letter "P".

Rev. Kennedy took for text for his discourse on Sunday, Matt. 5 verses 17-20. Think not that I am come to destroy the laws or the prophets. I am not come to destroy but to fulfill. For I say unto you, that except your righteousness shall exceed the righteousness of the scribes and Pharisees, ye shall in no wise enter into the Kingdom of heaven.

Our Y.P. are receiving many invitations to present their play in outside centres. They have given it in Greenwood and are to present it in Kinsale and have an invitation from an Oshawa Church Y.P. group.

## Oshawa One of Healthiest Cities in the Dominion

Oshawa is one of the healthiest cities in Canada. All milk is pasteurized, drinking water is pure, and food is strictly inspected. Children are given preventive treatment against communicable diseases, and those who contract disease are treated in one of the most modern and best equipped hospitals in the country.

**Two Diseases Reduced**  
To illustrate the tremendous strides made in preventing disease among children here, Dr. T. W. O. McKay recently drew up two charts showing how Diphtheria and Scarlet Fever cases had been lessened over the past 20 years.

In 1920, when Oshawa had a population of only 12,245, an average of seven persons in each 100 contracted the dread disease of diphtheria, but through scientific immunization treatment this ratio was steadily reduced until it reached the vanishing point in 1939. Since that time three years ago no deaths have occurred here through Diphtheria.

Canadian history holds true for Scarlet Fever in a general way over the same period in Oshawa, although Scarlet Fever cases per 1000 of population rose higher than Diphtheria during certain years. After immunization treatment, a child is not likely to contract Scarlet Fever for three or four years, when it is well to apply a test to learn whether the treatment is going off. Good treatment for Diphtheria usually renders a child immune to this disease for 10 years.

In 1924, immunization treatments were commenced as a regular procedure.

## FAMILY FORCED

(Continued from Page 3) bank of the creek, south of the highway, and flooded T. A. McKim's Imperial garage to a depth of many inches. Mrs. Cook and her son, Bill were forced to make their annual exodus to higher ground.

**Stalled Cars Pulled Out**  
By 2:30 a.m. a big Department of Highways snowplow was on the job, hauling stalled motor vehicles out of the middle of the water-covered stretch of highway.

The flood reached its highest point between 2:30 and 3:00 in the morning. Fred Cassidy of Brougham, road foreman, told The Times-Gazette. At that time the stretch of pavement was not negotiable.

Later in the morning cars began to creep through on their own power, although many stalled in mid-stream and had to have help from trucks. Transports, buses, trucks of all kinds, went through with little difficulty after 7:30 a.m., but the water flowed higher than the humpers of some of the automobiles.

At 10:30 a.m. there was a long line of traffic facing east and waiting to turn to cross the deep. By 11:30 traffic had been cleared in both directions and cars were then going through with their humpers showing above the water, marking a full of about six inches in depth of the water during the one hour.

The section of roadway which was water-covered is curved, and many motorists, perhaps unfamiliar with No. 3 highway at that point, drove far to left or right while driving through the rushing waters which covered the pavement and obliterated it from sight. Their cars became stuck in the soft mud on the shoulders of the road and they had to be rescued by the Department of Highways crew with their high trucks.

Members of this crew, who were on duty from 3:30 p.m. until the flood subsided sufficiently to allow cover the highway, were Fred Cassidy, Brougham, foreman, and Edgar Bath, Walter Annals, Norman Banks, Charles McGinnis and Clifford Hubbard, all of Pickering.

**Buses, Mail Delayed**  
Buses of all companies using No. 3 were running late as they waited for other vehicles to cross the water-covered strip one at a time. Suspension of mail deliveries on the two routes out of Pickering was threatened as the couriers found themselves unable to get to the railway station to obtain the mail which had lain there for hours.

Rapid fall of the water during the latter part of the morning made unnecessary the adoption of emergency plans whereby this mail would go on to Whitby by pickup and be brought back to Pickering by road.

At the south end of Pickering village, where Church Street passes under the new four-lane Provincial highway by means of a large underpass, ice blocks, tree trunks and branches, had blocked the street for vehicular traffic. Only a thin sheet of water flowed across the gravel-surfaced street, but this was sufficient to deposit upon it sufficient debris of the flood to stop passage except on foot.

In the surrounding country, acres of land were flooded by the heavy Sunday night rains. At Trout Creek, just west of Whitby, there were large ice fields on both the north and south sides of No. 3 highway.

**Trees Blown Over**  
On the south side of the highway, opposite the famous Red Wing orchards, a large evergreen tree blew down, taking to the earth with it a number of telephone wires. Telephone listeners were in action all Monday morning repairing the damage.

On the north side of No. 3 highway, a falling evergreen just missed a cabin trailer which is in service as a dwelling.

of the Oshawa Medical Board of Health prepared. Prior to this year, they were carried on intermittently, but even these showed some favorable results.

By 1926, immunization work was carried on actively, and at the request of the Board of Education, the Board of Health undertook these treatments in the public and separate schools, and a fair sized group of immunized children was being developed.

Communicable diseases dropped steadily, and in 1929, a large number of immunizations had been done. Each year thereafter, records show that a large number of immunization treatments were being given as a routine procedure. From this time until the present, cases of Diphtheria and Scarlet Fever have well below the number present 20 years ago; in fact were almost non-existent in recent years when the city's population had more than doubled. Following are figures showing how the diseases decreased while the population increased, due to preventive measures by the Board of Health:

Persons who have made the slightest study of the problem, know the remarkable benefit to the health of children who receive various treatments for the prevention of communicable diseases, and all parents will want their children to have this protection.

# WHAT YOU SHOULD KNOW AND DO ABOUT SUGAR RATIONING

**HERE ARE THE SIMPLE FACTS:**

With the opening of war in the Pacific, important supplies of sugar for the North American Continent were shut off—and may be shut off for a long while.

As good partners fighting a common foe, we have to share the available supply of sugar from the Caribbean and American sources with the United Kingdom, Russia and other allied countries.

Stocks of sugar in Canada are actually sufficient to meet normal needs. Precautionary measures had to be taken, however, to reduce the consumption of sugar in this country, in order to maintain ample reserves against all emergencies, and in case the restricted sources of sugar should still further dry up. The United States was also compelled to put similar regulations into force at the same time as Canada.

**YOU NEED NOT HOARD—YOU MUST NOT HOARD**  
The retail price of sugar is controlled under the Price Ceiling regulations—and will not be increased. There's absolutely no need for hoarding, but extravagant use of sugar is inexcusable and Canadians must make some reduction in the consumption of it. We're lucky it's not more.

**SUMMARY OF THE SUGAR RATION LAW**

- The ration is  $\frac{1}{2}$  pound per person per week, including adults, children and infants, members of the family, boarders, servants, and guests who remain for four days or more.
- Purchase your sugar in the ordinary way, but not more than two weeks' supply at a time. No coupons, stamps or tickets are required.
- Do not purchase any sugar if you have two weeks' supply or more on hand.
- Persons in remote areas who are not able to buy frequently may continue to buy more than two weeks' supply at a time, but must measure their consumption at the ration rate, namely  $\frac{1}{2}$  pound per person per week. Grocery must keep a record of purchases of sugar in every way you can; many people can get along on less than the ration.
- Additional supplies of sugar will be made available for home preserving and canning.
- The restriction applies to cane and beet sugar of all kinds—granulated sugar, lump sugar, fruit sugar, brown sugar, raw sugar, etc.
- Travellers are entitled to refuse to sell or to limit sales to any person they have reason to believe is attempting to disregard the law.
- Penalties provided for willful infractions of these regulations are imprisonment for as long as two years and a fine up to \$5,000.00.

# Oshawa "Bees" Oust Kingston In Great Comeback

## Wipe Out 5-1 Deficit with Brilliant Goal-Scoring Display

"Whizzer" White Returns to Action and Inspires Team to Thrilling Victory—Red Stars With Three Goals While McIntyre, Sawyer and Barker Get Two Each

(By Ken Pritchard)

Trimming the Kingston Lions Club Juniors here by a 9-2 score, Oshawa Bees last night qualified for the next round of the O.H.A. Junior "B" playoffs. Their victory, coming in the face of what appeared to be an insurmountable obstacle, a 5-1 deficit from the first game of the home-and-home series which began in Kingston last Friday night, kept them right in step with two other Oshawa teams which also eliminated their competitors, and gave them the round over Kingston by a 10-7 score.

Inspired by the return of "Whizzer" White to the team, Oshawa played heads-up hockey all the way and after losing the first goal of the game, which increased the lead of the Kingston Lions to five goals on the road, they steadied down to play brilliant hockey and maintain their reputation for providing just a little too good competition for Kingston's representatives to overcome. White, forced out of the first game in the first period because of a shoulder injury, played despite considerable pain, and proved a valuable man all the way.

Red in Step  
It was Red, second-string forward, who proved the most sensational play-maker on the ice, as he buzzed through into the visitors' zone repeatedly, and clicked for three goals and two assists. His linemate, McIntyre, playing centre instead of right wing, showed much improvement, and picked up two goals and three assists, as well as showing a fine checking game.

"Ward" Barker, erstwhile juvenile, clicked for two goals, as did Don Sawyer, first string left winger. Bowen, playing his best game of the year, had three assists, and the injured White also had an assist to round out Oshawa's part of the night's scoring.

Taking the ice determined to get back the four goals they lost at Kingston, the locals ripped into the visitors from the opening.

Kingston went off for holding in the first minute, and he had just returned when McMillen of Oshawa was penalized for tripping Steele. Kingston drove first blood in the game when Alken scored from Bernance while McAlken was absent.

Scenes At-a-Glance  
McIntyre got that one back with the first of his two goals when Cook steered the shot into his own net. A minute later Barker scored on a nice combination effort with White and Bowen. The latter was immediately given the game for handling, but in his case, he had scored a break-away goal despite the fact that two players had been about him when he backhanded the disc into the net.

Sawyer added another after Bowen returned on the play, and McIntyre, and the

Teams left the ice with Oshawa just one goal down on the road.

The second stanza was all Oshawa, as Barker, McIntyre and Reid scored in the first eight minutes, to put the locals two goals up on the road.

### Visitors Fight Back

Kingston came out for the third period determined to even things up, and they almost did just that, as Barker, who had started the first goal net all night, did head springs and somersaults to keep the puck out. The strain was too much and he finally yielded a goal to Steele, who earned his counter by beautiful stickhandling.

Reid was off for tripping when the goal was scored, but he made up for it a few minutes later by scoring on a breakaway pass from McIntyre. With Alken of the discouraged visitors sitting in the penalty box, Sawyer added the final goal with less than two minutes to go.

The visitors seemed mystified at their inability to cope with the locals, whom they outplayed in the first and third periods. Although they had many shots on goal, they were weak in their shooting, and with Barker, the Whistler farm boy, always on top of the play, they didn't have a chance. Oshawa's shooting was sensational except in the third period when they missed many opportunities from over-excitement.

### Burkhardt in Form

In the first stanza, Burkhardt stopped 19 shots and Reason, bespectacled Lions goalie, only 11. In the second, Oshawa outshot the visitors 16 to 13 and scored on three of the 16. In the last period stops by Burkhardt numbered 18 and by Reason 10.

## Penalty Proves Costly - Guelph Ousts Y. Rangers

Galt, March 10—With a dazzling first-period attack in which they scored five goals in less than three minutes, Guelph Blizzards on Saturday night won their way into the O.H.A. Junior "A" finals, eliminating Ed Wilsey's Young Rangers of Toronto. The score was 9-2 and the Blizzards were full value for their win. They showed more, more fight and their unselfishness on the attack brought them victory.

### Defence Crumbles

The big scoring spurge in the first period by Al Sturua's gang had Rangers baffled. Smyle of the Toronto team had drawn down a major penalty for fighting with Orlando, who got a two-minute rest for his part in the fray. With Smyle in the box, Blizzards swarmed in on Thomas in the Toronto goal and his defence seemed helpless to stop the invasion. Four of Guelph's goals were scored with the pair off.

Back-checking was a big factor in Guelph's win. They repeatedly broke up Rangers' efforts at combination thrusts and disorganized their attack so badly they were forced into individual or duo efforts.

A crowd of 2500 witnessed the game, the largest that has been in the local rink since the memorable 1937-38 junior playoffs four years ago.

Despite the nine goals scored on him, Thomas in Rangers' net gave a great exhibition of not-minding with his support out in front watching. McKewen and McLean turned in great efforts for the Rangers. Guelph will play their first home game in the finals here next Friday night.

## Starred Against Kraut Line

LES COLVIN

Son of A. E. "Ted" Colvin, Supt. of Waterworks for the Oshawa P.W.C., is shown above, as he looked when he played for the Oshawa "Generals," 1939 Memorial Cup Champions. On Saturday afternoon in Toronto, playing goal for the Camp Borden Army champions, against the strong Oshawa R.C.A.F. team, Les was the hero of the game, despite a one-sided defeat. His sensational stops against the famous Boston Bruins "Kraut Line" drew much favorable comment and held up the claim of the many Oshawa fans who insist that Colvin is the best goalie in hockey today. "Beet" (Reid) and "Gar" (Fraser), two other Oshawa boys, formerly with the "Generals," also played for Camp Borden on Saturday.

## BEDLAM REIGNS SUPREME AS GENERALS EVEN UP "SERIOUS"

Wild Scenes on Oshawa Ice as Motor City Kids Score Three Goals in 1 Minute and 36 Seconds to Snatch 4-3 Victory

(By Geo. H. Campbell)

After playing five games of dazzling scoring displays, Brantford Lions and Oshawa Generals returned to the generally accepted as the best of the night's action. The game on Saturday night and the results proved almost more than the fact could stand. Oshawa Generals managed to take out a 4-3 victory over the roaring Lions and thus evened the series.

The game progressed in a manner as the game progressed. The roaring roar to terrific heights amidst a shower of pennants, programs, apples and bottles, when Referee "Beet" McKay drew the ire of the fans by issuing the third penalty of the night to Mortimer.

Semantic Rally  
However, even this hubbub was a mere murmur compared with the roar that went up as the Generals lashed out in vicious determination to score three goals in the third stanza. In a 1-1-1 rush all three goals and the 3-1 elimination deficit into a glorious 4-3 triumph.

There's little doubt but that the loud protest voiced by Oshawa fans and the enthusiasm they displayed played a great part in lifting the Generals into the victory column. After Kenzie Smith had returned from serving his misconduct penalty (more about that later) this line lashed out, with just six minutes and three seconds left to play. Smith himself started the victory drive when he applied the puck from a brilliant gangling effort. Right from the face-off, they rushed back and the fans, who were still cheering madly hadn't had time to catch their breath before "Red" Tison fired the regularer, just 11 seconds after Smith's goal. Curry and Smith both assisted "Red."

From then to the end of the game, the Generals held on grimly and only once, when Fitzpatrick and Simpson had the puck between them, only two feet in front of Waddell, did Brantford really threaten. On that occasion, Waddell, who had played a superb game all night, came up with the greatest stop of the night to smother the shot and coolly skate with the puck to the face-off spot in the corner.

### Wild Disorder

The mad-house scene took place after three minutes of play in the third period. Mortimer, who had already been given two penalties, was thrummed off when he roared off Fitzpatrick as he tried to go around and cut in on the Oshawa net. "Flea" (later) he had lost

even in Oshawa all season, not his team two years up when he scored a beautiful goal on a pretty pass from Simpson. The goal was the 2-1 lead in almost the 14th minute. It was Oshawa's sensational, third-period goal.

Brantford opened the game's scoring when Fitzpatrick took Simpson's pass and went in close. Waddell made a brilliant stop but Reeson was an find to flip his rebound into the airings. "Tommy" Wilson got this one back with a nice shot from in close after working into position with McNaught and Depey.

### Goal Awarded

Brantford's big break came in the second period and for a long while it looked as if that was going to be the blow that sank the Oshawa ship. Simon was serving a penalty. Brantford's first of the night, when Fitzpatrick broke in the clear, with only "Beet" Guelin to beat. Guelin had to turn around to face "Flea" and in doing so, he left leaving the Lions forward a clear path to the goal. Guelin threw his stick across the ice and swept

the puck away from the stick, but of course, the goal was awarded automatically, since the offence had taken place inside Oshawa's blue-line. The score remained at 3-1 until "Flea" got his other goal in the third frame.

It was a brilliant hockey game, from start to finish. The Lions showed the best hockey they have ever displayed on Oshawa ice and for 54 minutes of the game, appeared to have the series cleared up.

### Both Goals Played Situationally

Both goals played situationally. Brantford was tremendous in the Brantford net, starting late in the second period when the Generals began to assert desperate pressure. Waddell, at the other end, was equally brilliant all the way through the game and in the early stages, when his mates were outplayed, Waddell kept Oshawa in the running.

### Everyone Starred

Every member of the Oshawa club turned in a grand performance. They fought in palatial fashion, with Tison, Depey and Mortimer leading the way when the

team trailed 5-1. Wilson, Smith, McNaught and all the others were heroes with Davies being robbed of equal glory by tough luck and a couple of times by bad trips, while went unpenalized. The officiating was inconsistent, several Oshawa players being brought down easily as Fitzpatrick had been, but no penalty was given. This, more than anything else, was what incensed the fans.

## "Regina" Tisdall of Oshawa Wins T.H.L. Scoring Title

Other Oshawa Players, Cooper, Covert and Barnes Well Up With Leaders as "Peoples" Team Finishes in First Place

Jack "Regina" Tisdall, who has resided in Oshawa since coming to play senior hockey here, about four years ago, set an all-time record and shattering all previous

scoring marks in the Toronto Hockey League this season, as he captured the scoring championship of the T.H.L. Major Commercial League with the amazing total of 73 points, for 36 goals and 37 assists. His mark was 21 points higher than the year's previous winner's total. "Regina" served only three minor penalties all season long, to complete his amazing achievement of skill and effectiveness. He played in every game of the 33-game schedule and his team "Peoples", headed by Walter Halder of Tip Top, last

year's winner, finished second, but far back with 55 points. "Bud" Benson of Peoples was third with 54. Other Oshawa stars "Jerry" Cooper, Roy Covert and "Ab" Barnes, three other Oshawa hockey players who performed with distinction for the league-leading Peoples team, also finished well up with the leading scores of the league. "Jerry" Cooper was fifth in the league race with 48 points while Roy Covert finished fifth with 37 points. "Ab" Barnes was the highest-scoring defenseman in the league and finished 15th in the league race.

## PHONE CALLS POURED INTO NEWS OFFICE

Hockey Fans Besieged The Times-Gazette for Result of Game

The telephone, invention of Alexander Graham Bell, one of Brantford's greatest men, last night proved invaluable to the sports-loving citizens of Oshawa, who, deprived of the privilege of seeing their beloved Generals upset the Telephone City's Junior "A" team by a 3-2 score, nevertheless followed the game, period by period, by long distance and local telephone.

The Bell Telephone exchange here had a busy night, as calls poured in to The Times-Gazette office and other local business places which were kept in constant touch with the arena at Brantford by long distance. A special staff on duty in the editorial room of this newspaper handled a total of 97 local inquiries between 8:45 p.m. and 12:15 a.m., and calls also poured in to Mike's Place, Bill's Place and the Oshawa Arena.

During the height of the telephone barrage, the Times-Gazette office received 100 calls in 20 minutes, by actual count.

At the arena, where the Junior Dees were knocking the Kingston team out of competition for yet another year, the Brantford-Oshawa scores were announced over the public address system as soon as received.

Many and varied were the exclamations which followed the final announcement that Oshawa had conquered the Brantford team.

"Hot dog" was the expression conjured up by one young sports fan of the masculine sex. A thrilled "Oh boy!" came from many. Feminine fans sighed and emitted "Yes man!" or an ecstatic "Oh thank you." Some of them intimated that they had more than a passing interest in various personalities on the Oshawa team.

## FISH No. 183 WAS SOME DUCK EATER

Many fish have been famous. Most of them because of their size—or how they were caught. Jonah's whale was different. He was famous because of that single meal, which included Jonah. "Fish No. 183" is in much the same class.

"Fish No. 183" was an ordinary Jackfish (or Northern Pike), 37½ inches long, weighing in the 14 lbs. Just one of the thousands taken in a three-year investigation by D.U. biologists "Vic" Bolman—who recorded the size, age, sex and stomach

"JERRY" COOPER

ROY COVERT

content of each. "Fish No. 183" (as we have said) was just an ordinary looking Jackfish—on the outside. But inside... that is a different story!

Inside... "Fish No. 183" had 4 ducklings—in various stages of digestion!

One duckling was a recently-hatched Redhead, perhaps a week old. The second was a Widgeon (or Baldpate) whose life was cut short at two weeks, by a chop of the Jackfish's jaw. The third was another week-old Redhead. The fourth duckling had been about three weeks old when "Fish No. 183" gulped him down. That had been perhaps six days before "Fish No. 183" was taken—on June 15, 1941. There wasn't enough left of this fourth duckling in "Fish No. 183's" stomach to identify its species.

Four ducklings in one bellyful! "Fish No. 183" was taken at Battling Creek—one of the countless channels that link myriad lakes and

ponds in a vast network, on the 2-million-acre marshes of the Saskatchewan River Delta, some 600 miles north of the U.S.-Canada boundary.

D.U. has carried on investigations for three years on selected waters over the vast duck breeding range in the Canadian west—aiming to find out how ducklings may become ducks rather than Jackfish lunches. Heaps of information have been assembled by D.U. ecologists; but there is a vast amount yet to find out.

Meanwhile, each duck-producing season, there will be other Jackfish like "Fish No. 183" smacking gleeful jaws with the satisfaction of four ducklings digesting in their innards; and with the prospect (when their present bellyful has digested—in ten days or so) of guzzling more of those downy ducklings... which, by all that is holy, should become ducks on the wing in the fall.

## CANADA'S HOCKEY SWEPT UP AND UP IN ITS 77 YEARS

By SCOTT YOUNG

Canadian Press Staff Writer  
Toronto, Mar. 10. (CP)—About 77 years ago, on the Dartmouth Lakes in Nova Scotia, ice-hockey was born. There were no rules, no set number of men to a team. Schoolboys played it, and Indians. The sticks had pointer handles, rounded heads, blunt blades and were called hurleys. A ball was used, not a puck. The goals were rocks set on the ice.

Today hockey is Canada's national game with 25,000 registered players and an undetermined number—probably about 100,000—unregistered. From Dartmouth it spread to Kingston, Ont., and Montreal, its main exponents in Kingston being a mixture of British troops which had been moved there after service in Nova Scotia. The game followed Canadians to many parts of the world; first to the United States, then to Britain, the mainland of Europe, and Australia.

Hockey on the River  
In 1879 a few students at McGill University in Montreal drew up crude rules and played a type of hockey on the St. Lawrence river. The next year the game progressed into a loose inter-class league, and with the next couple of years other Montreal clubs were formed. McGill won the world's first ice-hockey carnival in the winter of 1883-84. In 1885 a Royal Military College team was formed at Kingston and played what has been termed erroneously the first game of organized hockey.

The sports first controlling body was the Ontario Hockey Association, organized in 1890. As the game became popular in Quebec, the Maritimes and later Western Canada, other provincial associations were formed.

But provincial organizations became unwieldy without a central authority, a position not quite filled by the Amateur Athletic Union. So in 1914 a group of hockey enthusiasts from many parts of Canada met in Ottawa to form the Canadian Amateur Hockey Association, with Dr. W. F. Taylor of Winnipeg the first president. The guiding hand of the A.A.H.U. rested heavily on the game until about 1920, when hockey began to shake loose. Soon the break was complete, and the C.A.H.A. has become one of the most enlightened sports organizations in the world. The A.A.U. is little but a shadow in the background.

Col. Byron A. Weston of Halifax remembers playing hockey's first version on the Dartmouth lakes in 1865-66-67. He recalls only one rule, and it was a flexible one and more a matter of conscience. The players were not supposed to raise the hurleys over their shoulders and slash at the opposition. That rule has been maintained in the modern game, although it still is more a matter of conscience—both of the players and referees—than of actual fact.

Sticks in Col. Weston's time were blades fitted to wooden supports and screwed or strapped to the skaters' shoes. Capt. F. Z. Sutherland of Hamilton, Ont., also was one of the earliest hockey players.

He recalls hockey being played in and around Halifax before Confederation.

Amateur Control  
The super organization of the C.A.H.A. controls Canadian finals in senior and junior divisions of the amateur game, but one of the most historic of hockey competitions stems from one of the childhood stamping grounds of the sport. Kingston, The R.M.C. began in 1923 an annual hockey game with West Point Military Academy. Until 1917 Ontario Hockey Association. He was elected Nov. 27, 1890, when the O.H.A. was formed. His vice-presidents were H. A. Ward of Port Hope and John A. Barton of Stratford.

More important from a spectator standpoint are the annual Dominion competitions, Ottawa Clifflides

won the first playing of the Oshawa class senior championship in 1904. Eleven years later University of Toronto Schools took the first Canadian junior crown. The Stanley Cup, originally a challenge competition although the National Hockey League has eliminated the challenge aspect, was won first in 1894 by the Montreal Amateur Athletic Association.

A. M. Crosby of the Toronto Victoria club was head of the first hockey organization in the world, the Ontario Hockey Association. He was elected Nov. 27, 1890, when the O.H.A. was formed. His vice-presidents were H. A. Ward of Port Hope and John A. Barton of Stratford.

KEY MAN  
In three years Bucky Walters has won 68 games for the Reds.

# How YOU Can Help Win the War

IN THE MIND of every Canadian today there is only one question that counts: "How can I help Canada win the war?" Of course there are many ways you can help win the war. These ways have been, and will continue to be, pointed out to us by our government. Most of us, for example, can do war work in our free time — war work of many, many kinds. Many of us can make available to some extent, great or small, the use of our personal talents, or business facilities in behalf of our nation's victory program.

But there is another way **EVERYONE** can help win the war. It starts right at home. Every Canadian should begin **NOW** to live **CONSERVATIVELY** without waste, yet normally. What does this mean? It means for one thing, to be economical by buying good merchandise. Our nation's productive capacity in war will be strained to the utmost. When we buy furniture, for example, we should buy good furniture — good in quality and value; furniture that will last. For there must be fewer replacements as time goes on so that more and more of our productive effort can be devoted to the primary consideration of turning out war goods. The same holds true when we buy shoes, a rug, a set of dishes. They must be good!

It also means curtail waste! We should all see that our furnaces and heating plants; our kitchen ranges and motorcars are not using fuel wastefully. We must keep them in good repair. Even our plumbing fixtures must not leak; water wastefully pumped diverts electricity and fuel to non-essential uses and that helps the enemy.

You can help win the war by keeping healthy. Healthful recreation gives release to mind, body and spirit. Take up a sport as a hobby and keep physically fit. Take up an indoor hobby, too; preferably one that will help the war effort. In the last war, for example, even grown men knit sweaters for soldiers — and found it lots of fun.

Eat plenty — and eat the right things. None of us can afford to be undernourished with this big national task ahead of us. It is of major importance that we buy the right kinds of food — food that contains all the essential vitamins, proteins, fats and minerals.

Be cheerful — and spread cheer to others — at work or play. It will help keep your emotional balance and your sense of humor. And to keep cheerful, develop your inner spiritual resources through church attendance, music and good books.

It isn't hard to live wisely, healthfully and normally. We can help you. Not only are we bringing you the stirring and important news of the day the only way it can be studied, remembered and saved — but in every issue of our newspaper there is advertising which will help you on your war budget to adjust your scale of living to best benefit yourself. Each store and place of business advertising in this newspaper is in a very real sense your purchasing agent. Together they bring you the things you need to live a contented, happy and productive life, of more value to yourself and our country.

## Kinsmen Carnival Night Fun, Thrills

With only a twenty-five cent admission charge, the Kinsmen Carnival, started for the Ontario Arena for Friday March 20th, promises to be a truly "Bargain Night." The character of the entertainment in store for the fan believes the low admission price but the Kinsmen are interested in getting a jam-packed house to help in their Milk for Britain work.

The free \$500 prize to the holder of the lucky ticket, is another feature that is being continued this year although the Carnival is itself enough to draw a huge crowd. By offering a cash prize, the Kinsmen are adding more interest to the big affair and many people are buying tickets on the strength of helping send milk to Britain alone. Miss Diana Hanley of the Ontario State Club will be one of the featured performers of the evening. This pretty, young and talented member of the local club, was a decided "hit" at the "Arc Rhythmic" ice show and many people will remember her graceful skating. A mystery act has been signed to appear and from all reports, this one will be something really different for an ice show. Although the Kinsmen will not tell their secret, it is known that this act will follow the drawing of the \$500 Grand Prize and that it has never been before at a skating Carnival. Tickets for this big show can be obtained from any member of the Kinsmen Club or from S. B. Colla Clothing Store.

(Mrs. E. H. Sully, Correspondent)  
THORNTON'S CORNERS—Mrs. E. H. Sully, of Thornton's Corners, W. A., held the regular monthly meeting at the home of Madeline Walter and Norman Sully with thirty present. The meeting opened with a hymn followed by a prayer read by Mrs. A. Pierson. Mrs. O. Scott read the Scriptures lesson. Mrs. E. Pope read the secretary's report. Committees were formed to look after the different quilts we have to give on. Miss Fern French is making the top for our fancy quilt. Mrs. Peter Lofthouse and Mrs. E. L. Fisher are finishing the Red Cross quilts. A committee was also formed to supervise the sending of boxes to our boys in war service. A shower will be held for this purpose at our April meeting. After the business session Mrs. Leslie Warren gave an interesting talk on "Our Home and Native Land." Mrs. Lofthouse's group took charge of the tea hour.

A community social evening for the British War Victims Fund is being held at the home of Madeline Norman and Walter Sully on Friday, March 13. Come and help this worthy effort. Little Miss Mary Davidson was honored on her fourth birthday, March 5, when a party for nine little guests was held at her home. Those present were: Mary Goldsmith, Velma Pascoe, Marilyn Boner, Eleanor Currie, Madeline and Lenore Scott, Tommy and Jimmy Sully, David Ream, and Fred Pascoe. A pleasant time was enjoyed. When the picture, "Captains of the Clouds," comes to Ottawa next week, one of our local boys, Sgt. Pilot Frederick Robinson, R.C.A.F., who is now overseas, was stationed then at Upplands while the picture was being made and is in the "Upper Parade."

At 2 Tom Spillers and Mrs. Spillers of Montreal, N.B., are visiting friends and relatives while home on a two weeks' vacation. Miss Velma Harris, of Ottawa, was a Saturday guest at the home of Mr. and Mrs. L. Ocksmith. Mrs. W. V. Mack, of Coburg, spent Friday at the home of Mr. and Mrs. R. Sully. Mr. Ted Robinson spent last week with Mr. Bud Rowden and the following Sunday they visited friends in Port Hope. Miss Elsie Ocksmith spent Saturday in Toronto. Mrs. G. Dennis and Mrs. I. Kenman visited Mr. and Mrs. Oryll Campbell in Toronto for a few days last week. Miss Helen and Elsie Kernan of Toronto, spent the week-end at home. Mr. and Mrs. Walter Higgins and Miss Audrey Sully, of Toronto, visited Sunday with Mr. and Mrs. Robert Sully. Mr. and Mrs. Walter Fraser, Mr. and Mrs. Roy Walters and George Walters, of Toronto, were Sunday guests at the home of Mr. and Mrs. Norman Sully. Mr. Roy Lick is in Montreal and Ottawa for part of this week.

### HOW TO RELIEVE PILE TORTURE QUICKLY AND EASILY

If you are troubled with itching, pain or prolapse, do not delay treatment and run the risk of having this condition become chronic. Any itching or soreness or painful passage of stool is nature warning and proper treatment should be secured at once. For this purpose get a package of Hem-Rid from J. J. Leavelle or any druggist and use as directed. This formula which is used internally, is a mild way to take action, will quickly relieve the itching and soreness and aid in healing the sore tender spots. Hem-Rid is pleasant to use, is highly recommended and it serves the highest duty for any one to risk a painful and chronic pile condition, who wish a final cure. If you try Hem-Rid and are not entirely pleased with the results, your druggist will gladly return your money.

## 5 CASES LISTED SUPREME COURT COBBOURG MON.

Two Criminal, Three Civil Cases for Hearing Before Mr. Justice Plaxton

(Special to Times-Gazette)  
Cobourg, March 9.—Five cases, two criminal and three civil, are listed for hearing before Mr. Justice Plaxton at the J. A. Davies of the Supreme Court which opens at Cobourg next Monday afternoon. While the docket is not a very lengthy one, it is anticipated that the entire week will be taken up. The criminal cases listed include a charge of manslaughter against Mr. and Mrs. Charles Hornbush of Murray Township, where their daughter is alleged to have died in January from malnutrition and a charge of robbery with violence against Elmer Lee, of Toronto. Lee is alleged to have taken part in a robbery near Tyrone in recent months in which a farmer's wife was robbed and tied up in the garage at her home. The first civil action is brought jointly by Mrs. Vera Jewell and Mrs. Rita Patterson, of Peterborough, against the Smith Transport Co., Ltd. It arose out of an accident on William Street, Cobourg, on March 30, 1941, when John Jewell and Archibald Wellington Patterson were almost instantly

killed as their light coupe was in collision with a Smith Transport truck driven by Theodore Dufresne, of Toronto.

Mr. Jewell is suing \$5000 damages under the provisions of the Fatal Accidents Act, general damages of \$10,000 for personal injuries, a special damages for out-of-pocket expenses amounting to \$247. Mrs. Patterson is asking \$5000 damages for the provisions of the Fatal Accidents Act.

The second civil action on the docket arises out of the case a claim of Mr. Eva Dufresne, wife of Theodore Dufresne, for \$20,000 damages. Mrs. Dufresne alleges that the driver of the light coupe was driving on the wrong side of the road keeping an improper lookout, driving at an excessive speed and did not have his vehicle under proper control.

The last suit on the docket is brought by the Marsh Motor Transport Ltd. against Cunningham and Wells Ltd. Mr. MacDonald, Elton Flegg, Philip Blundell, Aubrey Robertson and Earl Vanderberg. The plaintiff is asking \$2000 damages as the result of an accident on Highway No. 3 near Smithville on July 10, 1941, when a vehicle owned by them went into the ditch. A counter-claim for \$400 damages has been entered by Mr. Blundell, who is the owner of a transport, driven at the time by Robertson, against Marsh Transport, Vanderberg, Cunningham and Wells Ltd. and MacDonald and Flegg. The Cunningham and Wells Co. has also counter-claimed asking \$500 damages. MacDonald and Flegg were

**NOW Let's put the dollars to work!**

We can't win the war without money, but money can't win the war!

Not unless we put it to work! Not unless we turn dollars into planes and tanks and guns and munitions — by the skill of our hands and the sweat of our brow.

So, now let's put the dollars to work! Let's make the enemy feel the sting of good Canadian coin, backed by Canadian zeal and Canadian workmanship.

So far, the war hasn't brought us hardship or even discomfort. We haven't seen our cities

blasted, our homes wrecked, our children machine-gunned in the streets.

Surely we can give our work, our concentrated effort, without thought of personal gain or profit. So long as we get three meals a day and a place to sleep, we are in luxury, compared to the condition of thousands in war-torn lands.

Let's make every day's work an all-out drive towards victory. Let's work to win — to stave off bitter defeat.

The "Shop-O-Gram" page will appear in The Times-Gazette every  
Tuesday. In the numbered spaces of the heading there appear phrases,  
always or phone numbers which have been taken from the advertisements  
on this page.

WHAT TO DO—The reader must find among the advertisements appearing  
on this page the ones from which the "Shop-O-Gram" has been  
taken. In making up a list, first write down the number of the  
"Shop-O-Gram" as it appears in the heading. Then opposite the num-  
ber write the name and address of the advertiser from whose adver-  
tisement it has been taken. Repeat this for each of the "Shop-O-  
Grams." To make your solution eligible for entry, attach to it a receipt  
or label showing that goods or services have been purchased from any  
one of the advertisers on this page.

AWARDING OF PRIZES—From all correct and eligible solutions  
received during the week fourteen will be drawn. The first will receive  
a merchandise order of \$100, the second a merchandise order for \$25,  
the third a merchandise order for \$10, the fourth a merchandise order  
for \$5. The next five will each receive a \$2.50 merchandise order.

SPECIAL PRIZES. At the end of each thirteen week period two  
special prizes will be awarded. These special prizes will be awarded to  
the two contestants who send in during the thirteen week period the  
greatest number of correct answers, accompanied by the greatest number  
of receipts from the largest variety of advertisers on this page. The first  
prize will be a merchandise order of \$50.00, and the second special prize  
will be a merchandise order of \$10.00. The first 13 week period is March  
1st to May 24th. On our next "Shop-O-Gram" advertiser when you  
make your prize order. Address replies to the "Shop-O-Gram"  
editor and make sure they reach The Times-Gazette by Saturday noon.
